Subject: Reinstatement of Your FM Approval Listing
Model Dect For Fume and Smoke Exhaust Ducts in Cleanrooms

Dear Mr. Lebrun:

In response to your request for reinstatement as a manufacturer of Fume and Smoke Exhaust Ducts for use in Cleanrooms, an in-plant audit of the quality control system of your manufacturing facility was conducted. The audit was found to be satisfactory.

We hereby advise you that effective immediately, we have reinstated your FM Approvals recognition as a manufacturer of Fume and Smoke Exhaust Ducts for use in Cleanrooms. As a result, your previous listing will be added to our Approval Guide, a publication of FM Approvals.

Very truly yours,
